Innovations in the Multidisciplinary Treatment of Pancreatic Cancer

The University of Chicago Center for GI Oncology

Ritz-Carlton Hotel
Chicago, Illinois

Conference Directors:
Mitchell Posner, M.D.
*Thomas D. Jones Professor of Surgery and Chief,
Division of General Surgery*

Kevin K. Roggin, M.D.
*Assistant Professor of Surgery & Cancer Research,
Division of General Surgery*

Register online at: http://cme.uchicago.edu/courses
Pancreatic cancer is a lethal malignancy that kills almost all affected. Although surgical therapy has been optimized, further improvements in the long-term survival rate are dependent on the ability to understand the genetic and molecular basis of pancreatic cancer.

This clinically-oriented activity is structured to educate physicians treating pancreatic cancer on novel advances in the genetics, early diagnosis, surgical treatment, and multidisciplinary therapies of pancreatic cancer.

CONFERENCE OBJECTIVES

After this conference, participants will be able to:

• Understand the genetic and molecular basis of pancreatic cancer to facilitate early diagnosis and improve outcomes for patients;

• Critically evaluate the reported outcomes of surgical therapy in pancreatic cancer and to understand barriers that prevent patients from receiving treatment;

• Identify seminal ethical issues in treating pancreatic cancer patients;

• Develop a comprehensive understanding on the current efficacy of multidisciplinary treatments for pancreatic cancer patients and to become familiar with novel treatments that are on the horizon.

TARGET AUDIENCE

The target audience includes surgical oncologists, GI oncologists, radiation oncologists, gastroenterologists, and other health care providers and specialists involved in the treatment of pancreatic cancer.

Please join us for what promises to be a very interesting conference!
ACCREDITATION AND CREDIT DESIGNATION

The University of Chicago Pritzker School of Medicine is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians. The University of Chicago Pritzker School of Medicine designates this educational activity for a maximum of 6.25 AMA PRA Category 1 Credits™. Physicians should only claim credit commensurate with the extent of their participation in the activity.

Nurses and other Allied Health Care Professionals will be provided with a certificate of attendance which may be used for requesting credits in accordance with state nursing boards, specialty societies, or other professional associations.

EDUCATIONAL GRANTS/COMMERCIAL SUPPORT

A complete listing of commercial support received will be provided in the conference materials.

LOCATION

The conference will take place at The Ritz-Carlton Chicago (A Four Seasons Hotel), set atop Water Tower Place, high above magnificent North Michigan Avenue at 160 East Pearson St., Chicago, IL. Telephone: (312) 266-1000. We will be providing complimentary valet parking as well as optional complimentary parking in the Water Tower Self Park for all conference registrants.

For directions and additional information about The Ritz-Carlton Chicago, please visit: http://www.fourseasons.com/chicagorc/

Peter Angelos, M.D.
Professor of Surgery
Associate Director of the MacLean Center for Clinical Medical Ethics

Hedy Kindler, M.D.
Associate Professor and Medical Director,
Gastrointestinal Oncology

Jeffrey Matthews, M.D.
Dallas B. Phemister Professor of Surgery and Chair,
Department of Surgery

Kevin Roggin, M.D.
Assistant Professor of Surgery and Cancer Research

Funmi Olopade, M.D.
Professor of Medicine and Human Genetics,
Director of the Cancer Risk Clinic

Aytekin Oto, M.D.
Associate Professor of Radiology

Mitchell Posner, M.D.
Thomas D. Jones Professor of Surgery and Chief,
Division of General Surgery

Irving Waxman, M.D.
Professor of Medicine and Surgery
Director of the Center for Endoscopic Research and Therapeutics

Ralph Weichselbaum, M.D.
D.K. Ludwig Professor and Chairman of Radiation and Cellular Oncology
FACULTY DISCLOSURE

It is the policy of the University of Chicago to ensure balance, independence, objectivity, and scientific rigor in all its individually sponsored or jointly sponsored educational programs. All individuals who are in a position to control the content of this educational activity are required to disclose all relevant financial relationships with any commercial interest related to the subject matter of the educational activity. Mechanisms to ensure that presentations are free from commercial bias are in place. Faculty will also disclose any off-label and/or investigational use of pharmaceuticals or instruments discussed in their presentation. Full disclosure of this information will be published in the conference materials.
# Conference Agenda – Friday, September 19, 2008
