Re: Stipends for Residents and Fellows for FY18

Resident Stipends – FY18

As has been noted in past years, in order to meet all regulatory requirements, resident stipends fall under a uniform salary structure:

PGY1	\$56,600
PGY2	\$59,170
PGY3	\$61,333
PGY4	\$64,160
PGY5	\$66,630
PGY6	\$69,340
PGY7	\$72,232

Please provide a letter of explanation for a proposed stipend that differs from the appropriate PGY above. The letter should be sent to the GME Office prior to delivering a contract to the individual.

The explanation should explain the circumstances for which a departure from standard levels is necessary. The GME Office may seek further advice from the Medical-Legal Department. The purpose of this is not to unnecessarily restrict department flexibility, but to ensure that basic fairness is demonstrated and that the Medical Center is in compliance from a regulatory and legal standpoint.

The GME office will use a 5% above or below the recommended stipend level targets for non-ACGME accredited fellows.

If you have further questions, please contact Amanda O'Rourke at 2-4409.
